Lusaka west school - Lws

Lusaka West Day & Boarding School

Lusaka West School is a premier institution providing comprehensive secondary education for students from grades 8 to 12. We adhere to the Zambian School Curriculum, accredited by the Examination Council of Zambia, ensuring a robust academic foundation. Moreover, we offer the esteemed Cambridge Assessment International Education Programme (IGCSE) for our senior grades, enabling students to pursue a globally recognized qualification that fosters critical thinking, academic rigor, and international exposure. Our commitment lies in delivering a holistic educational experience that prepares students for the challenges of a rapidly evolving world while nurturing their individual strengths and talents.

School Motto:

Be Safe, Be kind & Be Smart

The School is in Lusaka West, 2km off Mumbwa Road in the vicinity of the Zambia Open University, in a serene, safe, peaceful and clean environment. Lusaka West School is a Day and Boarding School, run as a self-managing (Private) institution by a School Board and is a sister learning Institution to Eden University. Our philosophy as a School is guided by our motto, vision, mission and values.

ii. VISION STATEMENT

“Prepare learners to pursue their interests and become relevant in the global community”.

iii. MISSION STATEMENT

“To create an environment in which learners are nurtured to discover their interests and experience holistic growth through high quality education.” iv.

CORE VALUES

Accountability, Collaboration, Creativity, Empowerment, and Integrity.

What we offer :

Through a harmonious fusion of the Zambia education curriculum and the Cambridge curriculum, we offer a transformative learning environment that celebrates diversity, encourages critical thinking, and cultivates holistic development. Join us on this extraordinary educational odyssey, where every student's potential is embraced, and academic excellence meets a world of endless opportunities. Embrace the journey with us at Lusaka West School – where education transcends boundaries."

ENTRY REQUIREMENTS

For a learner to be accepted at Lusaka West School the minimum requirements for entry shall be: -

1. The child will be assessed in Mathematics, English and Science. This will be done by appointment.
2. Once assessment has been made the parent/guardian shall be given feedback on the performance of the child.
3. A child that does not meet the minimum pass mark (50%) shall not be accepted but may opt to take a second assessment after one term or as agreed by management.
4. Once a child is accepted, the parents will be asked to submit to the School.
 - a) Two passport size photos (latest).
 - b) Certified copy of the latest transfer/progress report from the last school attended.
 - c) Clearance form from last school attended.
5. The admission process will be completed upon the payment of the prescribed fees and purchase of the school requisites as laid down.
6. The child will be admitted to the School as a border or day scholar on the date and time communicated by the School.

STUDY PERMITS AND IMMIGRATIONS ISSUES ADDRESSED

Dear International Learners & Guardians,

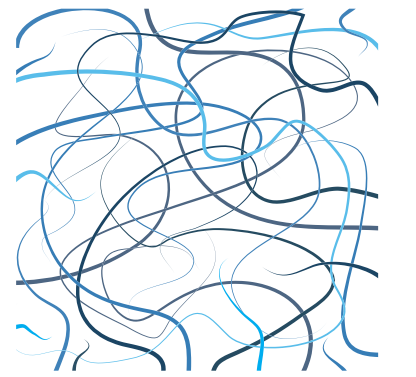

We are aware of your needs to make your study here with us legal and as smooth as possible.

Our corporate affairs department has positioned itself well with the Immigration and other relevant authorities in Zambia to ensure that all legal obligations are met.

We are confident that you will be making the right choice to enroll your children with one of Zambia's best and top Schools.
